**integrated  
marketing solutions**

[www.kiriuminteractive.com](http://www.kiriuminteractive.com)

Formed in 1996, KI is a premier metro Washington, DC based web development firm providing integrated marketing solutions for small and medium-sized companies. We specialize in identifying and fulfilling the specific needs of our clients with a powerful and effective web presence and effective print capabilities.

KI brings together an experienced team of professionals that has worked with numerous national and local companies. Our diverse portfolio includes companies from a wide range of corporate sectors as well as non-profit organizations and associations.

We work with our clients to develop strategies and solutions that are tailored to their individual needs. We pride ourselves on our ability to exceed client expectations and deliver real solutions that achieve their goals.

**2200 Wilson Boulevard, Suite 102, #230
